

# Patroller

Edge Roller

**1****Warning**

Warning! Working at height, rock climbing, mountaineering and related activities are inherently dangerous. It is the responsibility of any person using this equipment to learn and practice the proper techniques for use of the equipment for its designated purposes safely and to foresee and take appropriate action in situations where rescue may be required. Even the correct use of equipment and techniques may result in fatal consequences. Medical conditions can affect the safety of the equipment user in normal and emergency use. Any person using this equipment assumes all risks and full responsibility for all damages or injury which may result from the use of it. It is impossible to cover all methods of use. The following instructions and pictograms show some of the common correct and incorrect methods of use; it is impossible to predict them all. This product should only be used by a trained and/or competent person, or the user should be under the direct supervision of a trained and/or competent person.

**USER INSTRUCTIONS**

**IMPORTANT:** Please read and understand this information before use, and retain this information for future reference.

**2****Compatibility**

EN 1891 type A/B EN 892 EN 564 NFPA ANSI - Ø6mm-14mm

**Connecting Holes Compatibility**

Ø8mm

XSRE

Maillon

≤6mm Cord

Full Sized Connector
